The Sword Of The LORD Shall Slay My Disobedient People, My Son

My Bloody Sword shall come down on the land. And the slain of the LORD shall be many. My son, I Am displeased with this generation. They are detestable to Me. I Am angry with your wicked people. They give Me excuses instead of doing My will. My Hand of righteous indignation shall come down on them. My Sword of the LORD is primed and ready to make a frightful slaughter, My son. Many of My people won't do My will. What else can I do with them? They shall be executed. My Sword of the LORD shall come down on them swiftly, and the slain of the LORD shall be many, My son. They have disobeyed Me for the umpteenth time, and have refused to go do My will. My Hand will come down hard on My people. The Sword of the LORD is ready to make a frightful slaughter. The slain of the LORD shall be many. My son, there shall come a pandemic on the land. Millions of my worthless people shall meet their end by My Hand of fury. They shall fill cemeteries everywhere. The land shall be full of their dead bodies. I cannot take their disobedience anymore. They will not listen to Me nor prophets speak to them. They have in their minds as to what should be done. It is not My will. I Am A God of Wrath to My disobedient people. They will never get the job done of world evangelism. All they want to do is to live in peace in this nice land of yours, not My will. They will not go overseas to preach My Gospel. They will let My wicked die in their sins because nobody cares for them. All men care about their own things, not My will, nor My things, My son. All they care about is themselves, My son. These will perish, nor will they enter My Kingdom. These children of wrath shall endure My displeasure for all eternity. They will not do My will, nor please Me with their sacrifices. All they care about is self. That is all they think about, My son. They will not do My will, nor enter My mission fields, My son. They will not obey Me. I have had enough of their wicked disobedience, My son. Few will survive My wrath, My son. The wicked pandemic will take many of My people, because they disobey Me, My son. They will not do My will, so I consign them to eternal damnation, this wicked generation. All they think about is self. My Sword shall be bathed in blood, the blood of My people, My son. I Am full of wrath against them, and they will never enter My Kingdom. I have spoken, your LORD and Savior, Jesus Christ. Amen and amen!"
